

## Meeting Nights

OTR Lunch Stop

Meeting nights are held on the first Tuesday of each month at 6pm for dinner at the Barwon Club Moorabool.

## OTR Vision

Committing to our values, through education and practice, we will sustain trail bike riding as a respected and valued activity.

## OTR Values

-

OTR Cleanup day at Paddy Swamp

### People:

all those who live, work and share the areas of which our trails roam.

### - Safety:

of riders and other trail users by maintaining equipment and safe riding practices.

### - Environment:

minimising impact, noise and litter, leaving our trails in the best possible condition.

### - Support:

maintaining equipment, bush trails and consultation with other user groups.

- **Education:** to provide a path of development for all trail bike riders and other user groups

## OTR Mission

Affiliated with the SMCC established in 1932, GMCC, MA and VMC, the Otway Trail Riders exists to inspire and educate.

## Riders' Code

OTR Lead rider shows the way

Responsible riding, especially when on main roads, near houses, livestock or other bush users.

- Having fully registered & adequately silenced motorcycle with number plate, reg label, operational
- Good tyre condition for rider safety & minimal trail damage.
- All riders to be the holder of civil motorcycle license
- Assist in education of irresponsible riders/land users
- Communicate with and assist Land Management authorities when possible advising of damage
- Leaving bush free of litter & clearing other peoples rubbish if required.
- Take particular care in muddy areas which are not as quick to recover as sandy loamy areas
- Take particular care in water carriage areas.
- Plan to ride in areas suiting your level of trail riding experience whilst considering changes in weather
- Take regular breaks, keep fresh, a tired rider has a greater risk of accident and/or impact on the environment
- Keep to defined tracks
